

We are currently seeking a Lead hand and Trailer Mechanic to join our Evening Shift team (Sunday to Thursday, 3:30 p.m. to midnight).

### **LEAD HAND - EVENING**

The ideal candidate is a positive, motivated individual, looking for an opportunity to demonstrate their leadership skills while working alongside the team. Responsibilities include supervising technicians and monitoring work in progress, scheduling and conducting repairs and maintenance, and dealing with customers.

### **TRAILER MECHANIC - EVENING**

As the successful applicant, you will be self motivated, have experience with trailer repairs, and be able to work independently. Preference will be given to licensed mechanics and those qualified to perform Manitoba Safety Inspections. Welding skills are an asset.

For both roles, preference will be given to licensed mechanics and those qualified to perform Manitoba Safety Inspections.

Bison View offers a full benefits package, tool & boot allowances and competitive wages along with opportunities for advancement. Please submit your resume to:
